1. **Spring Social** - We just want to thank Dr. Mora again for hosting the SACNAS social at his residence last month.

2. **National Meeting** - Did anyone submit an abstract to the National Meeting? Please let Dr. Mora and us know if you did or will be attending.

3. **Meeting Shift** - We want to propose to shift the general meetings to the last Thursday of the month. This would do away with having a meeting like today (dead day). I will allow us to have a meeting in January, in time for the Spring MSC Open House. It would allow us to have a general meeting in August, which can allow more preparation for the Fall MSC Open House, which is scheduled for September 2, 2012; under the current system, the first general meeting would have fallen on Thursday, September 6, 2012. There might be times when we can have earlier meetings; for instance, this past January, the Spring MSC Open House was on January 22, 2012. The last Thursday would have fallen on January 26, 2012. In cases like that, we could move it even further up; to have a meeting before an event such as an Open House.

4. **Fall MSC Open House** - will be on Sunday, September 2, 2012. The cost is $45 for a booth. It will be a good opportunity to attend this to help in recruitment. Again, if we shift the meetings to the last Thursday of the month, we'll be able to have a August meeting to help organize this.

5. **Yearly report** - we should divide this up and get this out by the end of this month.

6. **In Transition** - We are currently in transition at the moment. 1) officers need to be transitioned. 2) Constitution needs to be submitted and approved.

7. **Officer Elections** -
