5. Member Feedback

Please have all members answer the questions listed below. We encourage the entire chapter to contribute their feedback, even if you need to add additional pages. Should individuals want to submit their feedback separately and anonymously, they may e-mail their feedback to chapters@sacnas.org.

In two or three sentences, summarize:
- The impact of being part of a SACNAS chapter
- How the national organization has impacted you
- What you think the chapter or the national office could do better.

Please make sure to e-mail the completed Annual Report to chapters@sacnas.org. Make sure to include your chapters name as the subject heading. SACNAS will send you confirmation that we received your report.
